

Blossom is as **dedicated** to your data's privacy as you are

Blossom takes pride in the security and privacy levels that are taken to protect your Early Years Setting's data.

Blossom is registered as a data controller with the Information Commissioners Office (registration number: **ZA196856**) and compliant with Ofsted's regulations. Visit: <https://ico.org.uk/ESDWebPages/Entry/ZA196856>

The core of Blossom Educational's data resides with Amazon Web Services (AWS), a cloud based data center. They are compliant with **ISO standards 9001:2008** and **27001:2013** and have passed the **PCIDSS v3 certification**.

All of your data is stored on **secure** servers and back-ups are made in real-time.

Blossom Educational and AWS **actively protect your data**.

TSL technology is used to ensure there is a **secure connection** so only you can view your Early Years Setting information.

All **passwords are encrypted** and access to Blossom can only be given by the Early Years Provider.

Only owners and managers can **enable and disable access** for all staff members, which adds an extra layer of security.

Blossom is completely **safeguarded** to protect your Early Years Setting and children
